25X1 5. [] Talked with George Murphy, on the staff of the Joint Committee on Atomic Energy, advising him that the corrected transcript of the Director's testimony before the Joint Committee on 26 January 1965 along with a list of corrections were ready for return. I suggested that when I returned these items we attempt to complete the necessary security briefing of the remaining staff members who were present at the briefing. (We had delayed this in deference to scheduling problems for Mr. Conway, the Committee staff Director.) We will attempt to accomplish both of these on Monday morning.

25X1 6. [] Was unable to meet with Mr. Braswell concerning the Chairman's response with regard to the Agency retirement regulations. He was away from his office the entire day. I will try to talk with him on this on Monday.

25X1 7. [] Received from Mr. Frank Schroeder, Chief Investigator, Senate Internal Security Subcommittee, a request for such biographic information as may be available for Subcommittee use concerning one [].
25X1 I advised Mr. Schroeder I would check the matter and be back in touch with him.

25X1 8. [] In the absence of Mr. Parry, Assistant to Congressman Clarence D. Long, I talked to Mrs. Conway concerning the Congressman's letter to the Director with regard to recruiting appointments at Loyola College in Baltimore. Advised Mrs. Conway (in accordance with information received from [] Deputy Director of Personnel) that we had been in touch with Mr. Moritz, Director of Placement and Guidance at Loyola College and would respond to the Congressman's letter the first of the week. Mrs. Conway thanked me very much for the information and advised that Mr. Parry would be available on Monday.

25X1 9. [] Met with Mr. Blandford, Counsel, House Armed Services Committee, and arranged to meet with him on Monday to schedule a possible briefing of the Agency subcommittee.
